**MEMORANDUM FOR:** Assistant Secretary of Defense (Supply and Logistics)

**ATTENTION:** Mr. John M. Evans, Chief, Industrial Planning  
Management, Office of Production Policy

**SUBJECT:** Request for Plant and Facility Assistance  
under Provisions of Office of Defense  
Mobilization Order VII-5

1. Prior discussions, held jointly with representatives of your Staff, concerning plant facilities for Agency post-emergency use, have progressed to the point of selecting facilities for preliminary review and evaluation.

2. It is therefore requested, you review the enclosed listing, which sets forth the space and facility requirements desired, and advise this Office concerning suitable plants for post-emergency use.

3. Upon receipt of your recommendations, further evaluation and selection of potentials will be undertaken by this Office prior to scheduling of specific surveys.

**JAMES A. GARRISON**  
Director of Logistics

**Enclosure:**  
Listing of Requirements
